We have reached the end of this school year. Even though it was a difficult one in many aspects, we were able to stand tall and face adversity head on. I would like to congratulate the pre-school and elementary school students for having achieved many goals this year. I would also like to thank our parents for their confidence and support for the work we do for their children. Always remember, "Learning is a Team Sport" together we can accomplish many goals. Looking forward to seeing you back in the fall, have a safe and fun summer and God Bless.

The following is important information and dates you should keep in mind:
